What loneliness  
to find no meaning  
when there is a  
meaning

And what loneliness  
to be blind in the full  
light of day, -  
and deaf, what  
loneliness,  
amidst the swelling of a  
song

But not to understand  
when there is no  
meaning,  
and to be blind in the  
middle of the night,  
and deaf when silence  
is complete, -  
oh, loneliness within  
loneliness!

**Thank you for your attention!**
