Romania-Republic of Moldova
ENI-CROSS BORDER COOPERATION

CARDIOSCOPE aims to strengthen the management of Cardiovascular Disease pathologies in the cross-border region through the implementation of an integrated screening, monitoring and personalized therapy framework for the population living in Iasi County and Ungheni County. The project will make available a set of working tools for medical professionals to enable the prevention, detection, monitoring and early personalized treatment of cardiovascular diseases.

HEALTH

**PEOPLE-TO-PEOPLE
COOPERATION**
