Kids embracing the natural and cultural heritage of Lake Peipsi region

PROJECT TITLE

CuNaHe – Improved network of formal and informal education institutes to support Cultural and Natural Heritage of the Lake Peipsi/Chudskoe-Pskovskoe region

IMPLEMENTATION PERIOD

03.2019 - 02.2021

ORGANISATIONS INVOLVED

Peipsi Center for Transboundary Cooperation (EE), Räpina Co-Educational Gymnasium (EE), Pskov Regional Public Organization “Lake Peipsi Project” (RU), Municipal budgetary general educational institution “Pechory secondary school nr. 3” (RU)

PROGRAMME

Estonia – Russia
CBC 2014-2020

TOTAL BUDGET

164.763,00 €

The project contributes to the development of neighbourly relations between border communities, educational and public institutions and aims at demonstrating the importance of preserving cultural and natural richness of the Peipsi/Chudskoe region. To do so, the project is developing innovative and interactive methodologies in the field of natural and cultural heritage for educators. It is organising joint programmes for pupils in this field, including joint research work, outdoor activities and summer camps. These activities will also help students to learn the Russian and Estonian languages and contribute to the exchange of knowledge between two neighbouring educational systems.
