**PL-BY-UA
2014-2020**

TOTAL BUDGET 2.365.036,62 €

The project aims at giving complex support to children, youth and adults with Autism Spectrum Disorder (ASD) and similar development disorders. To do so, the projects partners are creating a centre in Biaksi region (Poland) to help young people diagnosed with autism in their transition to adulthood, and another centre in Brest (BY) specialised in children with autism and related disorders. Knowledge sharing activities, training and seminars are also envisaged under the project.
