

ESTRUS-PRENEURS

School students developing business initiatives

PROJECT TITLE	Entrepreneurship programme for upper-secondary students “ESTRUS-preneurs”
IMPLEMENTATION PERIOD	01.11.2019 – 31.05.2021
ORGANISATIONS INVOLVED	Narva Language Lyceum (EE); St. Petersburg State Budgetary Professional Educational Institution “Petrovsky College” (RU)
PROGRAMME	Estonia – Russia CBC 2014-2020
TOTAL BUDGET	55.000,00 €

The overall aim is the promotion of entrepreneurship by providing the students of partner schools with a first experience in cross-border business initiatives. Students’ ideas can become a start of their future business, improving their entrepreneurial competences. A model developed under the project is going to be tested in the context of Estonian-Russian secondary schools, and disseminated to other educational institutions in the region.
