## PROGRAMME

Mediterranean Sea Basin  
ENI CBC 2014-2020

## TOTAL BUDGET

3.444.831,00 €

Impoverished households, women victims of violence, social workers, social services bodies: these are the targets of the initiative focused on the combined potential of agents of the social and solidarity economy (SSE), citizens and local authorities, to co-produce social policies that can fight inequality, social exclusion, and environmental unsustainability in the coastal countries of the Mediterranean basin. The project aims at providing them with tools and connections to build local resilience, and to foster transition towards more fair and sustainable societies. Over 20.000 people will be covered by improved social services at the end of activities, and 200 job opportunities are being created. .
