

# MOBI

*A Joint Mobility Plan to improve connections between cross-border regions*

**PROJECT TITLE** **MOBI: Modern border infrastructure – successful Carpathian region**

**IMPLEMENTATION PERIOD** 01.03.2020 – 31.01.2023

**ORGANISATIONS INVOLVED** International Association of Regional Development Institutions “IARDI” (UA); Road Service in Zakarpattia Oblast (UA); Self-Government of Szabolcs-Szatmár-Bereg County (HU); Košice Self-governing Region (SK); Maramureş County Council (RO); Satu Mare County Council (RO)

**PROGRAMME** Hungary – Slovakia – Romania – Ukraine  
ENI CBC 2014-2020

**TOTAL BUDGET** 1.051.980,00 €

The aim of the project is to create a sustainable platform for effective cross-border mobility of people and goods by improving transport and border infrastructure, strengthening cooperation between governments and professional organizations and developing transport links in the border regions of Ukraine, Romania, Slovakia and Hungary. The project envisages the development of a joint Mobility Plan, which will include regional plans of each border region in the field of transport and border infrastructure, development of railway services and international air services, reconstruction of bicycle roads and an innovative approach to connect 8 target regions.

## ACCESSIBLE BORDER REGIONS

Project co-funded by the European Union
