

*New life for
old crafts in
the Dvina and
Daugava valleys*

PROJECT TITLE	Researching and preserving traditional skills of Dvina/Daugava valley territory inhabitants and transferring them for the next generation
IMPLEMENTATION PERIOD	18.06.2019 – 17.02.2021
ORGANISATIONS INVOLVED	Culture department of Daugavpils District Municipality (LV); Polotsk National Historical and Cultural Museum-Reserve (BY); Research institution of culture «Braslav District Association of Museums» (BY)
PROGRAMME	Latvia – Lithuania – Belarus ENI CBC 2014-2020
TOTAL BUDGET	122.258,00 €

The objective of the project is to research and preserve traditional skills of Dvina/Daugava valley territory inhabitants and to transfer them to the next generation through special museum educational programs, workshops, exhibitions and innovative educational programmes. This is happening through the implementation of live communication with craftsmen, open-air ethnographical camps, “Craftsman University” and “Craftsman town”. The project foresees free master classes for the public, offering the opportunity to learn directly from the craftsman and improving local museum competitiveness and attractiveness.
