## PROGRAMME

Black Sea Basin  
ENI CBC 2014-2020

## TOTAL BUDGET

638.264,88 €

Higher production, more cross-border trading opportunities for agricultural products: the project aims at increasing the capacity of local producers and their chances for geographical certification, as well as at the strengthening of cooperation between business, producers' organizations, and local authorities. Certified local products do contribute to local businesses development, strengthening rural integration and revalorizing local resources.
