

BAG

Green farmers conquering the stores thanks to information technology

PROJECT TITLE BAG - Green Agriculture without Borders

IMPLEMENTATION PERIOD 02.2019 - 01.2021

ORGANISATIONS INVOLVED Dobele Adult Education and Business Support Centre (LV), Panevėžys Business Advisory Centre (LT), Local foundation of sustainable development "Innovation for regions" (BY)

PROGRAMME Latvia – Lithuania – Belarus
ENI CBC 2014-2020

TOTAL BUDGET 331.625,68 €

The project intends to combat poverty and unemployment as major problems that hinder socio-economic development of the Latvia-Lithuania-Belarus cross-border area. It will address the creation of employment opportunities by improving the entrepreneurship capacities and cooperation, through actions supporting development and innovations in green agriculture.

EMPLOYMENT
