

630 VERSTS FULL OF FEELINGS

What about bat viewing to feel history?

PROJECT TITLE 630 Versts Full of Feelings

IMPLEMENTATION PERIOD 15.05.2019 – 15.08.2021

ORGANISATIONS INVOLVED Aluksne Municipality (LV); The State Museum Pavlovsk (RU); State Historical-Architectural, Landscape and Natural Museum-Preserve "Izborsk" (RU); Latvian Association of Castles, Palaces and Manors (LV)

PROGRAMME Latvia – Russia
CBC 2014-2020

TOTAL BUDGET 800.000,00 €

The project is developing a new touristic route bridging together nature, culture and history. Most of the objects on the route are located aside the mainstream tourist flows and, therefore, enhancing the attractiveness of these objects means creation of beneficial conditions for local entrepreneurs, who will be able to offer accommodation and catering facilities, souvenirs, events. The route is developing new services, engaging the sensorial experience of visitors and using ICT technologies combined with traditional methods, to reconstruct older times. The final goal is to strengthen the historical and cultural capacity of the cross-border area, in order to contribute to the socio-economic development of Vidzeme and Latgale regions in Latvia, Pskov region and St. Petersburg in Russia.
