<b>TOTAL BUDGET</b>	591.911,50 €

LITHUANIA - RUSSIA  
CBC 2014-2020

The touristic sector is under a deep transformation. Many travelers now prefer small, countryside destinations, and touristic activities with cultural components. The “Common heritage of Curonian lagoon” project gives the visitors the opportunity to plunge in the history and traditions of the Curonian spit and its adjacent towns, trying out water and land routes connecting the Russian and Lithuanian borders, learning crafts like shipbuilding, weathercocks or ceramics, or taking part in an ancient vessels’ festival.
