

EKI-TEREHOVA

Less waiting time at the Latvia-Russia border

PROJECT TITLE

**EKI-Terehova - Improvement of border crossing point
Terehova-Burachki**

IMPLEMENTATION PERIOD

01.05.2019-30.12.2021

ORGANISATIONS INVOLVED

State Joint Stock Company "State Real Estate" (LV); Committee
for economic development and investment policy of the Pskov region (RU)

PROGRAMME

Latvia-Russia
CBC 2014-2020

TOTAL BUDGET

3.633.333,33 €

The "EKI-Terehova" project reconstructs the infrastructure at the Terehova border-crossing point in Latvia. The investment is used to construct a new customs control building for in-depth inspection, to rebuild and expand six existing control pavilions and canopies, to equip canopies with electronic signs to operatively change lane designation during rush hours, to rebuild rainwater sewerage, heating, electricity and communication networks, to improve lighting in the control area and to carry out reconstruction of treatment plants. The partners also organize experience exchange events for local control institutions specialists dedicated to smoother and faster border crossing and a large information campaign on specific border crossing issues (e.g. veterinary control) among involved groups and staff.
