

ELECTRONIC DEMOCRACY

*Online broadcasting
to open power's doors*

PROJECT TITLE **Electronic democracy - prerequisite for effective dialogue between local authorities and citizens of Pagegiai and Sovetsk**

IMPLEMENTATION PERIOD 29.04.2020 – 28.04.2022

ORGANISATIONS INVOLVED Pagegiai Municipality Administration - Taurage county (LT);
Administration of the Sovetsk City District - Kaliningrad region (RU)

PROGRAMME Lithuania - Russia
CBC 2014-2020

TOTAL BUDGET 503.283,34 €

LITHUANIA - RUSSIA
CBC 2014-2020

The overall objective of the project is to modernise the council rooms of Pagegiai and Sovetsk Municipality Administration, installing an electronic voting and discussion system, to ensure more open and transparent decision-making processes. The project partners are repairing the halls, renovating the furniture, acquiring new screens, laptops... in order to guarantee that meetings can be broadcasted online and to increase awareness about the work and the decisions taken by the municipal councils.

Project co-funded by
