

Technical support to the implementation and management of ENI CBC programmes

# Implementing provisions in the Financing Agreements of Interreg NEXT programmes

Lab-group meeting

12 July 2022

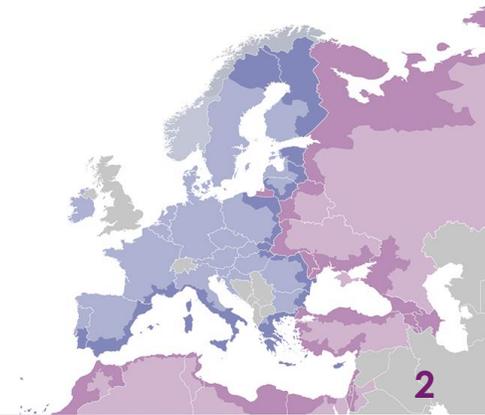

A project funded by the European Union

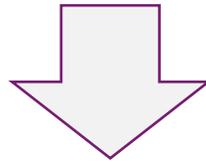

Implemented by a consortium led by

- **videos are on, you are free to turn them off (please leave them on, if possible... 😊 )**
- **micros will be kept muted during presentations**
- **Please give us a sign via raise-hand option or raise a question in chat, if you would like to intervene**

- **A first step in a process** to support the programmes and CBC partner countries in developing the “*implementing provisions*”.

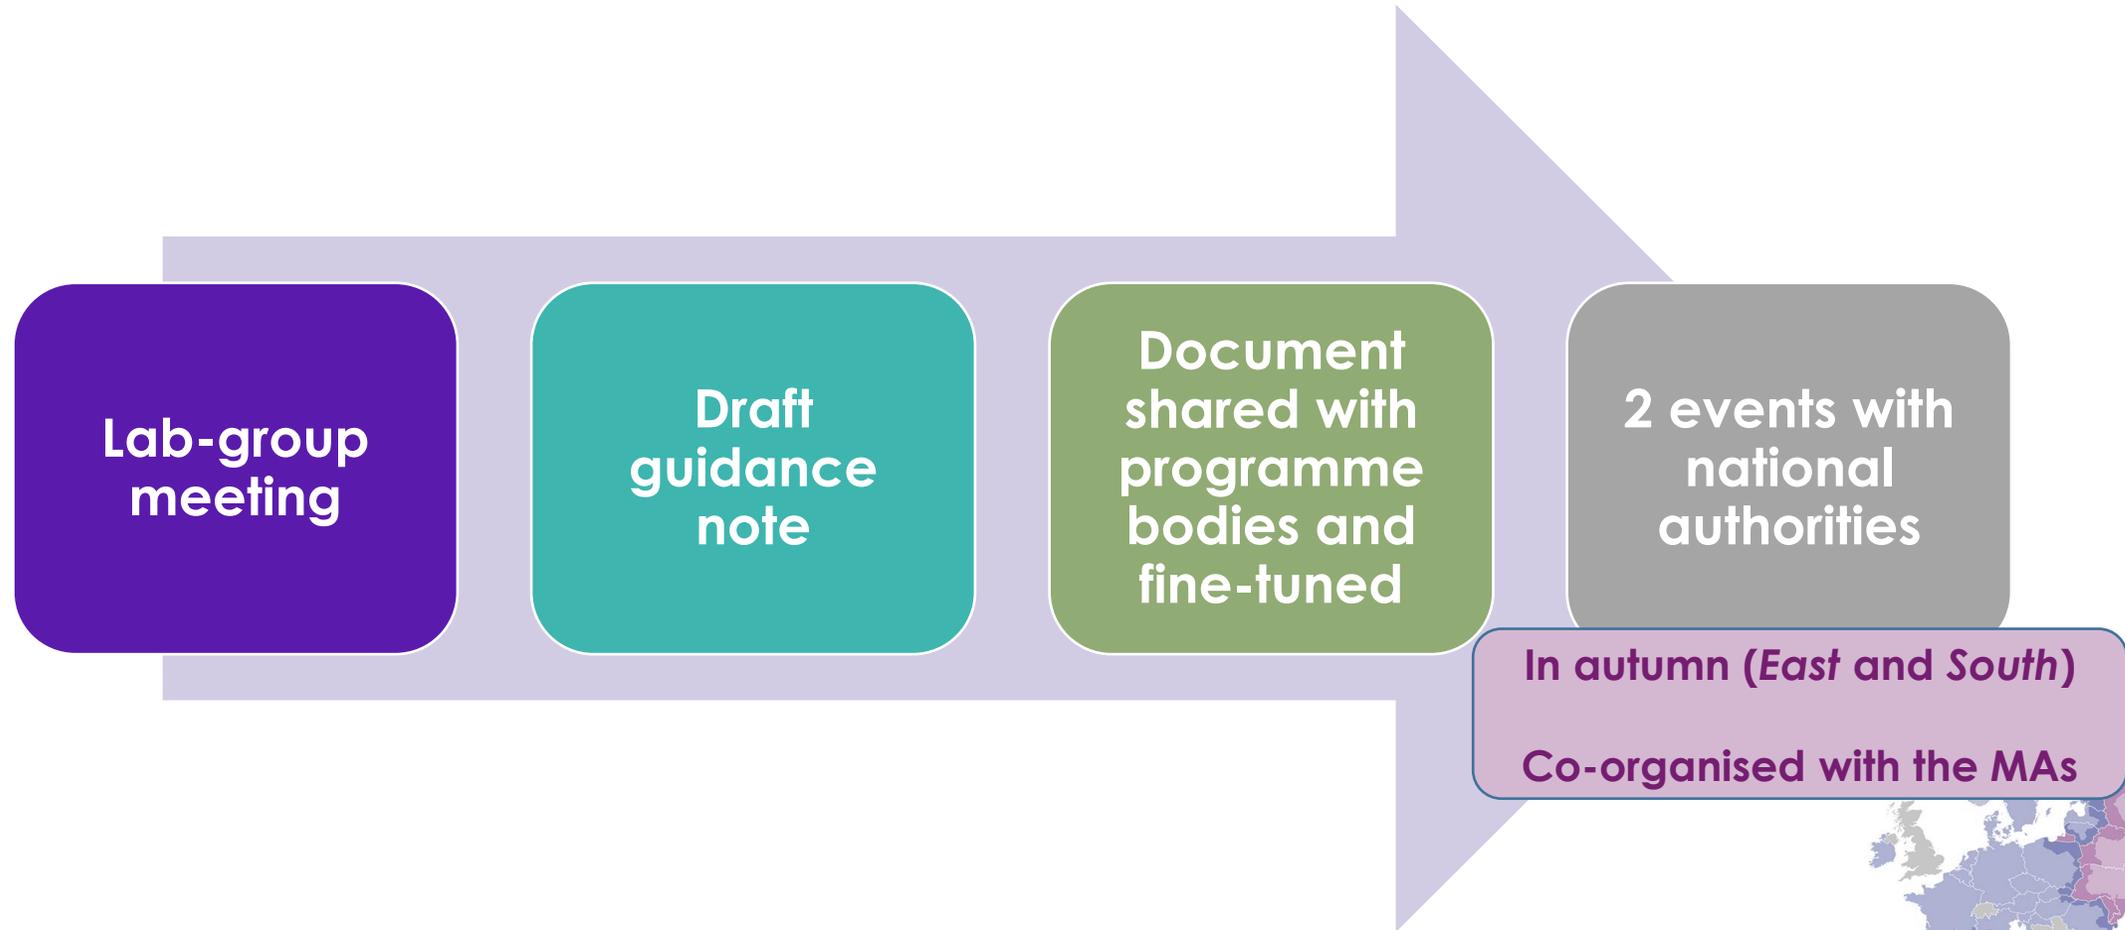

- **The Interreg Regulation, the feed-back to the template of the Financing Agreement and the exchanges on current programmes' implementation** were the source for a preliminary identification of the **key elements** for the “*implementing provisions*”.

- **Today's event - the opportunity** to gather input for a **Guidance document**.

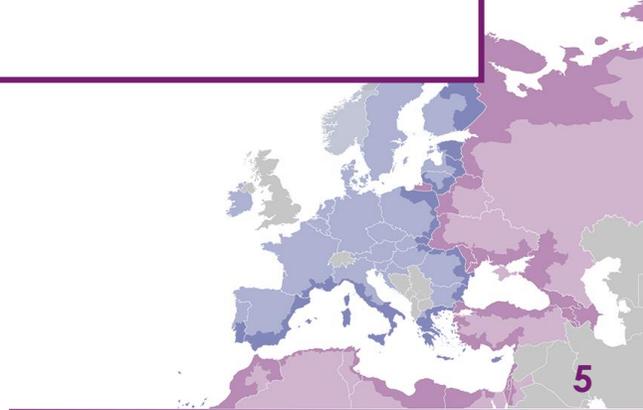

Flexible timing: as much time for the discussion as needed!

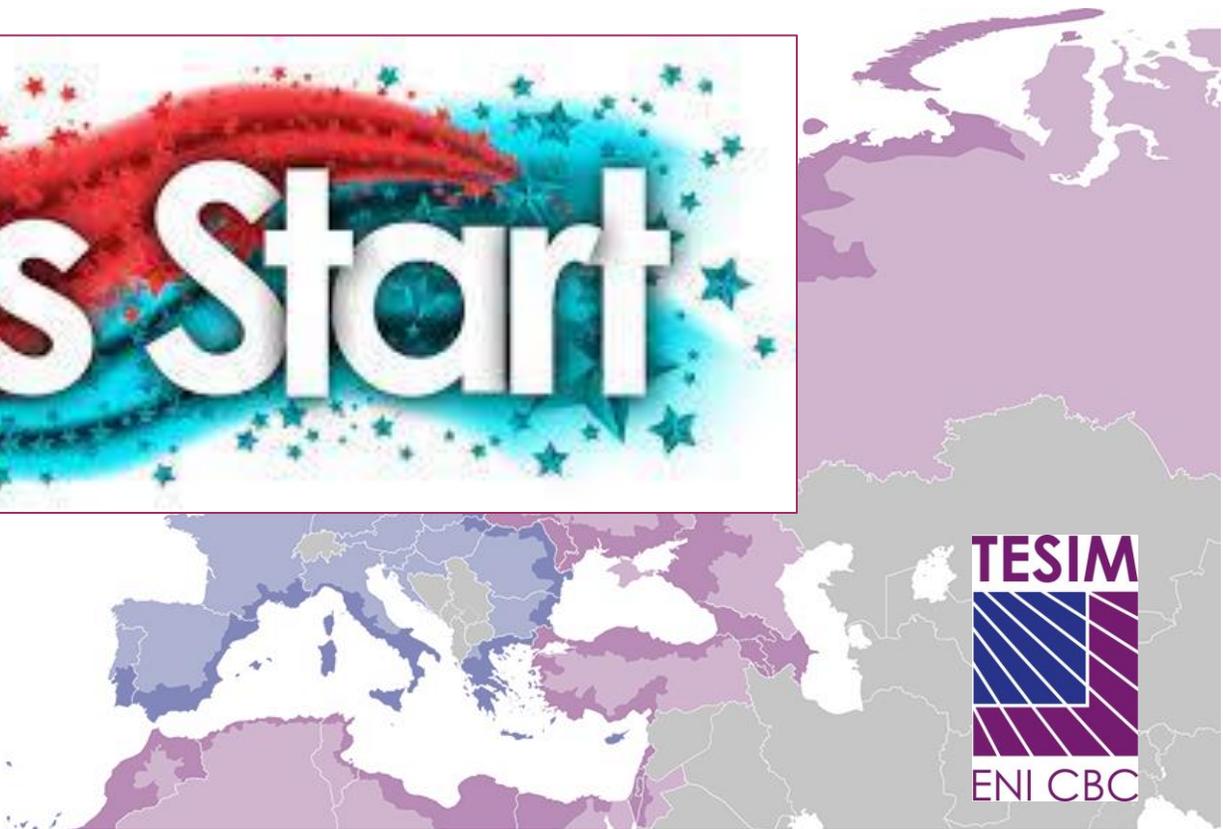

*If we finish earlier, that is also ok!*
