

ALLER

Supporting young graduates in creating businesses

PROJECT TITLE	ALLER - Alliances Entrepreneuriales dans le cadre de Réseaux transfrontaliers
IMPLEMENTATION PERIOD	16.10.2020 – 17.10.2022
ORGANISATIONS INVOLVED	Consorzio Arca (IT); Promimpresa s.r.l. (IT); Direction Générales des Études Technologiques du Ministère de l'Enseignement Supérieur et de la Recherche Scientifique (TN); Agence de promotion de l'Industrie et de l'Innovation – APII (TN); École Supérieure Privée d'Ingénierie et de Technologies (TN)
PROGRAMME	Italy – Tunisia ENI CBC 2014-2020
TOTAL BUDGET	946.243,80 €

The project supports unemployed young graduates in Sicily and Tunisia to create new knowledge-intensive enterprises by capitalizing on technical, technological, and commercial alliances between innovation and entrepreneurship stakeholders. Project partners facilitate networking among the actors of the innovation ecosystem in Tunisia and Sicily, they identify social challenges and encourage entrepreneurial training and cross-border mobility. The project does not simply offer a commercial space to the incubated enterprises created by students, but it also provides a system of relationships and conditions favourable to entrepreneurship in local innovation ecosystems.
