Romania-Republic of Moldova  
ENI-CROSS BORDER COOPERATION

The Nisporeni District Council of the Republic of Moldova and the Tutora Municipality in Romania are working to improve the transport infrastructure in the border area, facilitating the accessibility and transit of goods and people through the Sculeni and Albita border crossing points. In the Republic of Moldova the roads connect the Varzaresti Monastery with the neighbouring localities are improved to shorten the distance between Nisporeni town and the international road M1 and to create the best road solution for the traffic from Ungheni (Republic of Moldova) to Albita (Romania). In Romania the roads connecting the villages of Tutora, Opriseni and Chiperesti with DJ 249 are improved to reduce travel time, to increase the accessibility of the Sculeni and Albita customs points and to improve the safety of the traffic participants.
