The project aims at the complete renewal of the stages of two emblematic theatres in Satu Mare (Romania) and Uzhgorod (Ukraine). The team is implementing a set of infrastructural measures to completely rehabilitate the historical beauty of the two theatres and, in addition, improve the sound and lighting equipment. The project partners will also acquire new vehicles to facilitate the transport of artists. Visits to one another and the exchange of knowledge and resources are also a very important part of the project activities.
