ENI-CROSS BORDER COOPERATION

Restoring two churches along a common cultural trail and building events to promote it. The project – implemented within the framework of the Romania – Republic of Moldova ENI CBC programme – aims at enhancing the cross-border tourism potential in the area of IASI (Romania) and SOROCA (Republic of Moldova). The four partners are restoring two common historical and cultural sites, promoting them as touristic destinations: the Church “Sfinții Teodori”, in the Iasi County, and the Church “Sfântul Mare Mucenic Dimitrie”, in the Soroca District. Several cultural events, historical symposiums and conferences will be also organized for the valorization of the restored heritage sites, with the final aim to increase the touristic potential of the area.
