For a responsible use of Nordic Forests

📅 26 SEPTEMBER 2023

🌿 ENVIRONMENT

📍 KARELIA

OULU – Arctic forests are not doing well: growth is decreasing, cuttings are increasing, and in the last 20 years trees have gradually absorbed less and less carbon. **Exploring the legacy of the ENI CBC northern cluster programmes**, TESIM has decided to dig into one of the topics the programmes have extensively dealt with. Because the alarm for Arctic forests is high.

External border projects flowing into the Danube strategy

📅 30 JUNE 2023

📍 EUSDR DANUBE STRATEGY

Making the Danube region stronger, more resilient, and more attractive to live in: **258 projects from five ENI CBC programmes have allocated 280 million to the Danube region in the 2014-2020** programming period, converging in making it "more social" and "more secure". And more is to come with Interreg NEXT.

#UPCYCLING

With the support of the EU-funded INNOMED-UP project, Yusra Al Ja'bari has launched an initiative to turn leftover fabric and material into valuable artistic pieces, thereby promoting the importance of a circular economy and sustainable development.
