ENI-CROSS BORDER COOPERATION

The TEAM project aims at improving the touristic attractiveness of Edinet (MD) and Botosani (RO) border regions by the development of a cross-border touristic offer based on cultural heritage. The Edinet citizens benefit from a new performance hall for 400 seats and a tourist center (being the first one in the northern part of the country), both located in the city's Palace of Culture. Moreover, the project has organised two cultural heritage festivals (one in Edinet and one in Botosani) which have gathered over 3400 visitors. TEAM has also offered a study visit to the Moldovan and Romanian partners to exchange experiences.
