## *Upgrading the emergency response in Romania and Ukraine*

<b>PROJECT TITLE</b>	<b>COMAND - Synchronization of operational emergency situations in border region</b>
<b>IMPLEMENTATION PERIOD</b>	01.07.2021 – 31.12.2023
<b>ORGANISATIONS INVOLVED</b>	Maramureş County Council (RO); Main Department of State Emergency Service of Ukraine in Transcarpathian region (UA)
<b>PROGRAMME</b>	Hungary – Slovakia – Romania – Ukraine ENI CBC 2014-2020
<b>TOTAL BUDGET</b>	1.562.992,94 €

Fires, floods, car accidents: the COMAND project introduces an information system for management and coordination in emergency situations in Maramureş (RO) and Transcarpathia (UA) to improve the prediction, operability and quality of interventions performed in an emergency. The project establishes an integrated call center in Maramures and foresees a complete digitization of the emergency communications network in the Transcarpathian region. The activities help to improve inter-institutional communication procedures between the emergency services of the two border regions.

The information provided is subject to changes during the project's lifetime. Please refer to the project's website for the latest updates.
