*Local roads as  
drivers of economic  
development  
for border  
communities in  
Romania and the  
Republic of Moldova*

**PROJECT TITLE** Development of infrastructure – engine of socio-economic cooperation in the Tulucești commune, Galați county and Sireți commune, Strășeni district

**IMPLEMENTATION PERIOD** 16.07.2021 – 15.12.2023

**ORGANISATIONS INVOLVED** Tulucești commune (RO); Sireți commune (MD)

**PROGRAMME** Romania – the Republic of Moldova  
ENI CBC 2014-2020

**TOTAL BUDGET** 3.176.148,72 €

**Romania-Republic of Moldova**  
ENI-CROSS BORDER COOPERATION

In the frame of the project, one of the largest localities in Strășeni district of the Republic of Moldova – Sireți village – was connected by a new access road to the national route M5, PTF Criva – Balti – Chisinau – Tiraspol – Cuciurgan BCP. The road is vital for the border area: it contributes to the development of a local road network routes. This facilitates links between the communities of either side of the border – Tulucești and Sireți – and increases economic activity in the area.

**ACCESSIBLE BORDER REGIONS**

**CROSS-BORDER  
INFRASTRUCTURE**

Project co-funded by  
the European Union
