ENI-CROSS BORDER COOPERATION

This initiative aims to enhance neonatal care in the Romania-Republic of Moldova border area. It involves rehabilitating newborn and pre-term departments at the Public medical sanitary institution Mother & Child (MD) and equipping the Vaslui County Emergency Hospital (RO) with state-of-the-art medical equipment. Through cross-border collaboration, the project aims to improve healthcare infrastructure and outcomes for newborns, by sharing experiences and procedures, and by promoting patient-centered care practices.
