ENI-CROSS BORDER COOPERATION

Preparing students with special needs for the labour market. The School Center for Inclusive Education in Suceava (Romania) has received new equipment to facilitate practical trainings for students with special educational needs. Thanks to SpeEd-2-Labour Market project (funded by the Romania-Ukraine ENI CBC Programmed) the students can acquire new knowledge and skills which qualify them for the profession of “Tiler – plywood installer”. The project upgrades a special education framework in the cross-border area Suceava – Chernivtsi and it prepares the students to socio-professional adaptation and smooth inclusion into the labour market.
